

Statement of trade for water transport vehicle

Food Act 1984 (Vic)

If as a proprietor of a water carting business you have a current state-wide registration certificate for a water transport vehicle under the Food Act, you can operate the vehicle anywhere in Victoria. However, you must advise the councils in whose districts the vehicles will be operating about the fact that you will be trading in their district.

How to complete this form

List each council district in which the business intends to operate each water transport vehicle, or wishes to have the option of operating each vehicle, at any time within the next 12 months. This form can be used for **ALL** council districts in Victoria in which you may trade.

Lodging in all districts in which you may trade early will reduce the risk of receiving a request to deliver water immediately to a customer in a council district that you have not lodged a statement of trade with.

When to lodge this form

You must lodge this form at least five days before trading in a council district.

(However, as the changes to the Food Act requiring water transport vehicles to be registered commenced in mid 2011, a different timeframe is needed in the initial changeover period. If you first register under the Food Act in 2011, it will be sufficient for you to lodge this form with any councils in which you trade within 5 days of receiving your registration certificate. After you have lodged this first statement of trade, all future statements must be lodged at least 5 days before trading in a district.)

How to lodge this form

This form must be submitted to **each council** in whose district you will be trading. A copy must also be given to your **principal council** so that it understands the extent of your operations, and can answer any questions asked by other councils. The principal council is the one you are registered with under the state-wide system.

To find out the name of the other council(s) that you are to advise, along with their contact details, refer to the Department of Planning and Community Development (DPCD) website www.dpcd.vic.gov.au/localgovernment/find-your-local-council or telephone DPCD on 1300 366 356.
