

APPLICATION FOR PERMIT TO BURN

DETAILS OF APPLICANT

Name:

Address:

Phone:

Location/Address of material to be burnt:

Are you the owner of the property? Yes No

If no, do you have the consent of the owner? Yes No

Type of material to be burnt:

Suggested day and time to burn:

How long will the burn take?

Have other options to reduce fuel loads been assessed? If so please provide details?

.....

Criteria for the Issue of permits to burn:

1. Burning must be for fire management purposes (except rural zone)
2. Must burn vegetation only.
3. Vegetation must be dry (not green).
4. Burn area will be inspected before permit will be issued.

If Council cannot confidently make a decision on whether to issue a permit, the application will be referred to the CFA Regional Office for advice. Do you consent to the above information being passed on to the CFA for the purpose of assessing this application? Yes No

Please note that traditionally, permits to burn are only granted during the first three weeks of the fire prevention period and are not generally granted for the period between December – February.
