

Swan Hill Rural City Council

Council Highlights - State Election Edition!

Our region matters.

With the Victorian State Election fast approaching, Swan Hill Rural City Council has been pulling out all the stops to make sure our regions priorities are heard loud and clear.

Here's what we've been up to...

WE'VE HAD CONVERSATIONS

WE THOUGHT OF IDEAS OUTSIDE THE BOX - TO GET ATTENTION

WE'VE LEFT PLENTY OF VOICEMAILS

WE EVEN WROTE A SONG...

WE HIT RECORD MORE THAN ONCE

WE SENT A TEXT, OR TWO

WE'VE SPREAD OUR MESSAGE FAR AND WIDE

AND, WE NEVER, EVER GAVE UP!

OUR TOP 5 PRIORITIES for a brighter future

Our message is simple.

Our region deserves its fair share of investment, and we're making sure every political party knows it! We'll keep having conversations, making the calls, sending the messages and finding new ways to be heard.

When it comes to the future of our region, we're not going to stay quiet!

Council Highlights presented to the community on the last Friday of every month.
