1. INTRODUCTION

The Audit and Risk Committee (Committee) is an independent advisory committee to Council and is formed under Section 53 of the Local Government Act 2020.

The Committee is a formally appointed committee of the Council and is responsible to that body. The Committee does not have executive powers or authority to implement actions in areas over which management has responsibility and does not have any delegated financial responsibility. The Committee does not have any management functions and is therefore independent of management.

The Committee's role is to report to Council and provide appropriate advice and recommendations on matters relevant to its Charter.

2. OBJECTIVES

The primary objective of the Committee is to monitor and provide advice to assist Council in improving the quality and effectiveness of:

- Council's internal and external financial and performance reporting.
- Management of financial processes, and internal controls.
- Management of risks and the prevention of fraud.
- Compliance with laws and regulations as well as use of best practice guidelines.
- The Internal and External Audit functions.
- Monitor the compliance of corporate policies and procedures to the Local Government Act (LGA), Ministerial, Directors and overarching Governance Principals.

3. COMPOSITION OF THE COMMITTEE

The Committee will be comprised of five members as follows:

- two Councillors;
- three external independent members.

Independent members will have senior management knowledge and collective experience in financial management and risk and experience in public sector management.

The Mayor and Chief Executive Officer and Councillor Members of Committee will recommend potential independent members to Council taking account of the experience of candidates and their likely ability to apply appropriate analytical and strategic management skills.

Expressions of interest may be sought through an advertising process.

4. TERMS OF OFFICE

Councillors

Councillor Committee Members shall be appointed for a minimum of one (1) year and may apply to Council to extend the term during the appointment of Council delegates to outside organisations process that occurs in November/December each year.

Independent Committee Members

Independent Committee Members shall be appointed for an initial term of up to three years. They have a right of reappointment after the first term, with a second term to be by application. The maximum term of an independent Committee Member is three terms or nine years.

The terms of the appointment should be arranged to ensure an orderly rotation and continuity of membership despite changes to Council's elected representatives. A current member is able to reapply and be appointed for subsequent terms.

If the Council proposes to remove a member of the Committee, it must give written notice to the member of its intention to do so outlining the reasons why, and provide that member with the opportunity to be heard at a Council meeting which is open to the public, if that member so requests.

When an extraordinary vacancy occurs, the replacement member will complete the term of the committee member which he/she has replaced. In the situation where the remaining term is less than 12 months, the Committee can apply to Council for leave of absence to extend the term.

5. INDUCTION AND TRAINING

Committee Members will receive formal induction training from the Director Corporate Services on the purpose and mandate of the Committee and be briefed where required in the following areas:
