

Swan Hill Regional Livestock Exchange

Prime Cattle Sale 10th of September 2020

Swan Hill Agents offered just fewer than 890 at this week's Prime Cattle Market. Price trends were mixed across categories. Heavy Cattle including Steers over 600kg sold at a discount when compared to a fortnight ago. The market was predominately supported with feed lots and re-stocker orders elevating prices for younger vealers & yearlings. Buyers paid up to 474c/kg for very young calves weighing less than 250kg. Cow prices remained strong for beef types averaging over \$2000/head.
