

Swan Hill Regional Livestock Exchange

Prime Cattle Sale 4th of June 2020

Swan Hill Regional Livestock Exchange held our fortnightly Prime Cattle sale this week seeing Agents yard close to 700 head. Driven by tighter supplies, decent rainfall and strong demand from processors, Trade Steer & Heifer quotations remained excellent but not quite on par with last fortnight. The market across the board showed a cheaper trend in line with the quality & finish presented. The highest quality Yearlings and Vealers averaged over 400c/kg while heavy fed stock finished softer by 20c/kg to 30/kg. Local Re-stockers were supported with good lines of calves under 320kg and finished around the \$1100/head. Cows followed the same trend with softer prices across the categories, reflecting the plainer & limited number on offer.
