

FOGO Waste Service Arriving 2027!

Food Organics and Garden Organics (FOGO) is coming to Swan Hill in 2027. By recycling food and garden waste instead of sending it to landfill, we'll cut emissions, reduce waste costs, and create useful compost. Other councils have already shown how successful FOGO can be – and we're ready to join them!

Why?

- ✓ Less landfill
- ✓ Lower emissions
- ✓ More compost
- ✓ Proven results
- ✓ Easy system
