Future Councillors Take Over the Chambers!

There was a buzz in the Council Chambers recently as seven Student Councillors and a Student CEO from St Mary's Primary School Swan Hill took part in a Mock Council Meeting. Paired with elected Councillors and mentored by CEO Scott Barber, students explored how Council works while sharing ideas on topics close to them – from homework and skate parks to what makes a great community. The session was a fantastic opportunity for students to build confidence, have their voices heard and experience leadership in action. The future looks bright!
