Please note:

We have found that there are three entries on one of the Petition forms which we believe were incorrectly written there on the night of our Public Meeting, instead of being written on the Attendance Sheet for the meeting.

The four names have also been omitted from our list of "legitimate" signatories.

POTENTIAL SALE OF COUNCIL-OWNED LAND : 71-77 BROMLEY ROAD, ROBINVALE.

The Petitioners, whose names, addresses and signatures appear hereunder, petition Swan Hill Rural City Council to reverse the decision to "commence the process of disposing of the land in accordance with the Local Government Act", as Council "determines the land 71 - 77 Bromley Road, Robinvale to be surplus to requirements".
 (SHRCC Meeting - Tuesday 18th December, 2018.)

The Petitioners believe that no business should be encouraged, or allowed to be established, on the western side of Bromley Road, Robinvale. All new businesses should be established on the eastern side of Bromley Road, in the central business district of Robinvale or in Moore Street if it is industrial. Further, the Petitioners request that this land is consolidated into Bill McGinty Park to be retained as Public Land for the benefit of all Robinvale residents and visitors, now and into the future.

POTENTIAL SALE OF COUNCIL-OWNED LAND : 71-77 BROMLEY ROAD, ROBINVALE.

The Petitioners, whose names, addresses and signatures appear hereunder, petition Swan Hill Rural City Council to reverse the decision to "commence the process of disposing of the land in accordance with the Local Government Act", as Council "determines the land 71 – 77 Bromley Road, Robinvale to be surplus to requirements".
(SHRCC Meeting - Tuesday 18th December, 2018.)

The Petitioners believe that no business should be encouraged, or allowed to be established, on the western side of Bromley Road, Robinvale. All new businesses should be established on the eastern side of Bromley Road, in the central business district of Robinvale or in Moore Street if it is industrial. Further, the Petitioners request that this land is consolidated into Bill McGinty Park to be retained as Public Land for the benefit of all Robinvale residents and visitors, now and into the future.
