Prime Sheep & Lamb Sale 29th October 2020

Agents offered a smaller yarding this week as we finish our fortnightly Sheep & Lamb sales for 2020. Good runs of Suckers were on offer with the top pen making \$230/head. Older Lambs that were presented showed quality and weight sold to \$250/head. The market trend for old & new season lambs remained firm to \$5/head dearer. The Mutton run showed some quality Sheep & old Wethers which finished dearer than a fortnight ago. Sheep & Lamb Sales will be recommencing as of **February 4th, 2021**, a timely reminder that as of **January 1st only Version S0720** of the National Vendor Declaration will be accepted. We at SHRLE would like to thank you all for your ongoing support during a tough year for our industry. We look forward to the easing of restrictions and be able to welcome you all back at some point in 2021.
