Prime Sheep & Lamb Sale 4th February 2020

Just over 11000 head were yarded at the first sale of 2021 in Swan Hill. The sale was well supported by both Domestic & Export buyers. Quotations fared well against recent prices and remained consistent with other saleyards across Victoria. The majority of the market was made up of well finished lambs reaching \$272/head for run out of Mellool while the prime Light category was made up of mostly Dorpers topping at \$252/head. The Mutton section made up of around 1000 head was not as well supported by buyers seeing quotations average at \$165/head, topping at \$228/head. **Vendors are reminded that S0720 versions of NVD's will be accepted at our Saleyard.**
