

## Swan Hill Regional Livestock Exchange

### Prime Sheep & Lamb Sale 24<sup>th</sup> June 2021

In a yarding influenced by regional rainfall over the past week, Agents yarded shy of 3000 head. Heavy Export & Export Lamb quotations trended \$6/head to \$8/head dearer in line with other selling centres. The Trade categories sold to \$8/head to \$10/head better than last fortnight. Light Lambs trended firm to \$5/head softer against recent quotations reflecting the plainer quality. Limited offering of Mutton this week with quotes remaining form on past offerings.
