

## Swan Hill Regional Livestock Exchange

### Prime Sheep & Lamb Sale 22<sup>nd</sup> July 2021

Agents offered a similar sized yarding to a fortnight ago with a noticeable decrease in quality producing wintery types and smaller runs. Not all buyers attended and not all operated fully. Lambs were firm to \$5/head dearer than a fortnight ago. Large lines of Mutton that were yarded produced strong demand to finish \$10/head to \$15/head better.
